Whenever later amendments of federal regulations must be adopted to comply with federal law or to qualify for federal funding, only a notice of incorporation by reference of the later amendments must be filed in the register. This notice must contain the information required by subsection (2) and must state the effective date of the incorporation. The effective date may be no sooner than 30 days after the date upon which the notice is published unless the 30 days causes a delay that jeopardizes compliance with federal law or qualification for federal funding, in which event the effective date may be no sooner than the date of publication. A hearing is not required unless requested under 2-4-315 by either 10% or 25, whichever is less, of the persons who will be directly affected by the incorporation, by a governmental subdivision or agency, or by an association having not less than 25 members who will be directly affected. Further notice of adoption or preparation of a replacement page for the ARM is not required.

(6) If a hearing is requested under subsection (5), the petition for hearing must contain a request for an amendment and may contain suggested language, reasons for an amendment,

and any other information pertinent to the subject of the rule.

History: En. Sec. 6, Ch. 2, Ex. L. 1971; amd. Sec. 11, Ch. 285, L. 1977; R.C.M. 1947, 82-4206(3); amd. Sec. 8, Ch. 243, L. 1979; amd. Sec. 1, Ch. 591, L. 1981; amd. Sec. 6, Ch. 19, L. 1999.

2-4-308. Adjective or interpretive rule — statement of implied authority and legal effect. (1) Each adjective or interpretive rule or portion of an adjective or interpretive rule to be adopted under implied rulemaking authority must contain a statement in the historical notations of the rule that the rule is advisory only but may be a correct interpretation of the law. The statement must be placed in the ARM when the rule in question is scheduled for reprinting.

(2) The appropriate administrative rule review committee may file with the secretary of state, for publication with any rule or portion of a rule that it considers to be adjective or interpretive, a statement indicating that it is the opinion of the appropriate administrative rule review committee that the rule or portion of a rule is adjective or interpretive and therefore advisory only. If the committee requests the statement to be published for an adopted rule not scheduled for reprinting in the ARM, the cost of publishing the statement in the ARM must be paid by the committee.

History: En. Sec. 1, Ch. 637, L. 1983; amd. Sec. 7, Ch. 19, L. 1999.

2-4-309. Rulemaking authority for laws not yet effective — rule not effective until law effective. Unless otherwise provided in the statute, an agency may proceed with rulemaking under this chapter after the enactment of a statute to be implemented by rule, but a rule may not become effective prior to the effective date of the statute.

History: En. Sec. 1, Ch. 185, L. 2001.

## 2-4-310 reserved.

2-4-311. Publication and arrangement of ARM. (1) The secretary of state shall compile, index, arrange, rearrange, correct errors or inconsistencies without changing the meaning, intent, or effect of any rule, and publish in the appropriate format all rules filed pursuant to this chapter in the ARM. The secretary of state shall supplement, revise, and publish the ARM or any part of the ARM as often as the secretary of state considers necessary. The secretary of state may include editorial notes, cross-references, and other matter that the secretary of state considers desirable or advantageous. The secretary of state shall publish supplements to the ARM at the times and in the form that the secretary of state considers appropriate.

(2) The ARM must be arranged, indexed, and printed or duplicated in a manner that permits separate publication of portions relating to individual agencies. An agency may make arrangements with the secretary of state for the printing of as many copies of the separate publications as it may require. The secretary of state may charge a fee for any separate publications. The fee must be set and deposited in accordance with 2-15-405 and must be paid by

the agency.
